ABSTRACT

Prasetya Wibowo, Angga Dita. 2019. *“Improving Students’ Speaking Skill on Describing Things Using Picture on Frame”*. A Thesis. English Education Study Program of Educational Sciences and Teachers’ Training Faculty Peradaban University. Moh. Ilham Hakim M.Pd

The aim of the research was to improve the students' speaking skill on Describing Things through "Picture on Frame". The research was carried out at SMP N 3 Margasari in the academic year 2019/2020. The subject of this research consisted of 30 students. The researcher used a classroom action research which is conducted to solve the students' problem. The writer did two cycles in which each cycle consists of planning, action, observation and reflection. In collecting the data, the researcher used observation, questionnaire, and documentation. "Picture on Frame" media was able to improve the students speaking skill in English class, it could be seen from the result of test and observation. Students' speaking skill improved. The average of pre-test 1 showed that was 54.67 %, post-test 1 was 68.00% and post-test 2 was 70.33%. The result of post-test 1 and 2 showed that from 30 students, there were 20 students (80%) reached the success indicator ≥ 70 from minimum score (KKM) The questionnaire result showed that 75% of the students teacher. The writer suggests that the English teacher could implement "Picture on Frame in teaching motivate.
