

## CHAPTER V

### CONCLUSION AND SUGGESTION

This is the last chapter of this thesis. In this chapter, the writer presents conclusion of the analysis and suggestions.

#### A. Conclusion

After the analysis of register used in text commentary in football match between France vs Argentina is done. After that the next step is drawing conclusion. According to the findings and the interpretation in previous chapter, the writer found 137 registers then divide into content word classes, noun phrase and special of conversation of the linguistics features. In content word classes, the writer found 77 nouns, 30 verbs, 5 adjectives and 3 adverbs then 4 noun phrase and 18 special of conversation. In addition, the writer classified 137 register into 10 language of football, there are refereeing a match, the cup, the game, players, the match, coaching, the pitch, stoppages, kick and action.

On refereeing a match consist of 7 registers, the cup consist of 9 registers, the game consist of 20 registers, players consist of 21 registers, the match consist of 7 registers, coaching consist of 5 registers, the pitch consist of 18 registers, stoppages consist of 11 registers, kick consist of 17 registers and action consist of 22 registers.

#### B. Suggestions

The researcher suggests the students of English Education Study Program to conduct the deeper study about register since this study did not cover

all aspects of register yet. The writer also hopes that the next researcher will conduct the comparison study about register used in football match text commentary with the register in other sport such basketball, badminton even moto GP because in the other sports there are also many types of registers that are interesting to learn.
